

Basic Life Support (BLS)/People Movers Moving & Handling Level 2 – 1Day

Overview

We are pleased to offer the one-day **Basic Life Support (BLS)/People Movers Moving & Handling Level 2 training course**. This course is developed for medical personnel such as doctors, dentists, allied health professionals (AHPs), nursing and care staff working in NHS and private hospitals whether full time or as agency or locum staff. The BLS training teaches basic life support techniques and skills that are applicable in a wide variety of settings and aim to deal with resuscitation and unconsciousness.

The course assists with compliance of the Care Certificate theory and practical training requirements developed jointly by Skills for Care, Health Education England and Skills for Health and in meeting with regulatory and inspecting body training requirements. This course is aligned to the Skills for Health Core Skills Training Framework (CSTF)

This course has been validated, accredited and awarded 7 CPD points by the CPD Accreditation Group as meeting sector standards.

Mandatory Requirements

Due to practical requirements participants must be declared fit before commencement of the course. All participants are required to complete a Health Declaration Form which will be assessed by the course tutor. The tutor may refuse a participant if health concerns are raised. If unsure if any health condition may impact your ability to train, we strongly recommend that you seek advice from your GP or physician prior to attending the course. This course is designed to meet participants of varying fitness levels. We DO NOT accept pregnant candidates on the course.

Certification

This is a two-part competency-based course i.e. theory and practical skills. This course has written assessment which must be achieved at 75%. Don't worry, it's not difficult to pass as there are practice questions. Practical assessment is on-going by the instructor. This certificate is valid for one-year period only, a refresher thereafter, but keeping up to date with changes to policies and procedures is vital to keeping the qualification current.

Participant Note: Booking does not necessarily guarantee a pass. We strive to support learners throughout the course. If a participant fails to meet the required standard, and therefore are not able to pass, they will be referred and may require additional training hours at a reduced rate.

Participants

To ensure quality and standards of our courses, a maximum of 12 participants will be allowed per training workshop. This will provide adequate time for participants to practice and perfect skills.

Duration

This course is a 1Day Intensive Course. Course starts at 09.00 and finishes at 17.00 on training day. Please plan your journey in advance to reach training centre in time as lateness is not permitted. Participants arriving after 15 minutes will not be allowed on the course and there is no refund.
