

Paediatric First Aid

– 1/2Day

Overview

We are pleased to offer Paediatric First Aid course. School, day-care or a playground, emergencies to children and adolescents can arise anytime anywhere. Staff working with children require first aid skills to efficiently and safely deal with emergencies. According to the legislation, the Department of Education requires the childcare staff to be qualified and skilled with paediatric first aid to provide efficient and quick assistance to children in emergency situations.

Paediatric First Aid course will facilitate people working with or looking after young children and infants, including teachers, playgroup leaders, childcare providers, and/ or nannies, who should be equipped with the right knowledge and skills to deal with sudden emergencies. Whether it is a wound, bleeding or choking, we have designed our course to tackle and manage urgencies that arise in some settings surrounded by children. Our instructors are experienced and certified to deliver the course that follows the regulations and qualifications approved by the regulatory bodies.

This course has been validated, accredited and awarded 7 CPD points by the CPD Accreditation Group as meeting sector standards.

Mandatory Requirements

Due to practical requirements participants must be declared fit before commencement of the course. All participants are required to complete a Health Declaration Form which will be assessed by the course tutor. The tutor may refuse a participant if health concerns are raised. If unsure if any health condition may impact your ability to train, we strongly recommend that you seek advice from your GP or physician prior to attending the course. This course is designed to meet participants of varying fitness levels. We DO NOT accept pregnant candidates on the course.

Summary of Contents

- Dictating the Roles and Responsibilities
- Minor to Major Injuries
- Seizures/ Choking
- Recovery Positions

Certification

This is a two-part competency-based course i.e. theory and practical skills. This course has written assessment which must be achieved at 75%. Don't worry, it's not difficult to pass as there are practice questions. Practical assessment is on-going by the instructor. This certificate is valid for one-year period only, a refresher thereafter, but keeping up to date with changes to policies and procedures is vital to keeping the qualification current.

Participant Note: Booking does not necessarily guarantee a pass. We strive to support learners throughout the course. If a participant fails to meet the required standard, and therefore are not able to pass, they will be referred and may require additional training hours at a reduced rate.

Participants

To ensure quality and standards of our courses, a maximum of 12 participants will be allowed per training workshop. This will provide adequate time for participants to practice and perfect skills.

Duration

This course is a 1/2Day Intensive Course. Course starts at 09.00 and finishes at 17.00 on training day. Please plan your journey in advance to reach training centre in time as lateness is not permitted. Participants arriving after 15 minutes will not be allowed on the course and there is no refund.
