

# SIA CCTV Operator Level 2

## – 3Day

### Overview

We now offer the SIA CCTV Operator Level 2 course. The Public Space Surveillance (PPS) Licence i.e. CCTV License allows a trained individual to work in the private security industry as a CCTV Operator. The licence is issued by the Security Industry Authority (SIA) and is valid for a period of 3 years. CCTV Operators often work in control rooms where camera footage from offices, shops or public spaces are displayed on a monitor screen. The CCTV Operator has a responsibility to keep people and property safe by actively monitoring public areas, tracking individuals and identifying high risk situations.

The CCTV operator course is a mandatory requirement for those who wishes to obtain the SIA CCTV license which will allow the learner to work as a CCTV operator. A CCTV operator generally works in control room. A CCTV operator is employed to consistently and regularly view and observe footages and images to keep people, property and public in general, safe from disruptive behaviours.

This course has been validated, accredited and awarded 21 CPD points by the CPD Accreditation Group as meeting sector standards.

### Mandatory Requirements

This is an intensive course and as such participants must be declared fit before commencement of the course. All participants are required to complete a Health Declaration Form which will be assessed by the course tutor. The tutor may refuse a participant if health concerns are raised. If unsure if any health condition may impact your ability to train, we strongly recommend that you seek advice from your GP or physician prior to attending the course. This course is designed to meet participants of varying fitness levels. We DO NOT accept pregnant candidates on the course.
