

SIA Searches Training

– 1Day

Overview

Jt101 now offers the SIA Searches Training course. Our security searches training course will provide learners with skills for searching people and property. The learners will acquire techniques to obtain the license of SIA security search training. This includes the method and procedure used to search people and items, detecting prohibited items, managing security breach and physical intervention skills as needed.

This course has been validated, accredited and awarded 21 CPD points by the CPD Accreditation Group as meeting sector standards.

Mandatory Requirements

To ensure safe practice, we recommend suitable clothing for all participants such as tracksuit bottom and trainers. NO jeans, jewellery, boots, shoes and or inappropriate clothing must be worn. Check with your relevant agency on guidance related to suitable clothing before attending the course. The tutor reserves the right to refuse any participant if their clothing raises a concern.
